

TOWER SENTRY SYSTEM WARRANTY, TERMS AND CONDITIONS OF SALE

1. SEPARATORS & SBC CONTROLLERS

Griswold Filtration warrants "Separators" and "SBC Controllers" to be free from defect in material and workmanship when used in water service with an appropriate water treatment program for a period of sixty (60) months from the date of install, or sixty-six (66) months from the date of purchase, whichever is less. Warranty may be made either:

- (A) The failed unit may be returned to Griswold Filtration for repair or replacement. See "Terms and Conditions" below. Griswold Filtration will repair or replace, at its discretion, a separator or SBC Controller, which has failed due to material or workmanship. The separator or SBC controller must be returned freight prepaid to the address given when the Returned Goods Memo (RGM) is issued.
- (B) The separator or SBC controller may be eligible for replacement without returning the product to Griswold Filtration. An inspection and recommendation may be made by an authorized Griswold Representative, with factory approval. Field warranty of separators and SBC controllers is according to the following schedule:

Months Of Use	0-12	13-24	25-36	37-48	49-60	61+
% Griswold Pays	100	100	75	50	25	0
% Customer Pays	0	0	25	50	75	100

2. SYSTEMS AND ACCESSORIES

Griswold Filtration warrants System Components and Separator Accessories to be free from defect in material and workmanship for a period of twelve (12) months from date of install, or eighteen (18) months from date of purchase, whichever is less. Griswold Filtration will repair or replace, at its discretion, a component which has failed due to material or workmanship. This twelve month period applies to all products used in the manufacture of Separator Systems except the separator and the SBC Controller. The separator and the SBC Controller is warranted to the above "Separators and SBC Controllers" portion of this warranty.

3. CONDITIONS

Griswold Filtration's warranty is limited to product repair or replacement and does not apply to incidental, special or consequential damages, or for damages in an amount exceeding the cost to its Trade Customer for any product causing any alleged damage. Warranty shall not apply to product that has been subject to misuse, neglect, accident, alteration, application or installation in such a manner as to adversely affect product performance. Griswold Filtration is not liable for replacement labor.

4. REQUESTED INFORMATION

The units may not require return to Griswold Filtration, located in Corona CA. However, they must be inspected by, or returned to, a Griswold Filtration Representative to verify defect and serial number for credit. The serial number is stamped into the top head of the unit, just above the side inlet port. The serial number identifies the date of manufacture, and will be used to establish credit. Any appropriate receipt verifying date of install will be taken under consideration.
